C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

Galena Housing Authority has made a modification of deviation to the original 5 Year Plan.

According to HUD regulations, any unit that has elderly occupancy must have air conditioning due to the heat index area that we are in. This makes it a necessity to change the plan to include installing air conditioning in the one bedroom units.

From Grant 2002 until Grant 2005, Galena Housing will be installing air in 8 one bedroom units per year.

B. Significant Amendment or Modification to the Annual Plan:

See above.
